Delete the 779 number. I have no such number and don't know why it keeps popping on our lists.

It's 360. Thanks, R.

Robert's number wasn't included at all.

Now that I think about it, Robert, which is the best number for you?

Thanks,

Not sure why I pulled up that old number. Thanks for updating.

We will wait on the newsroom Mon. Liz has someone put them up immediately onto our Gold King Mine press releases page.

George, please email and or txt Enesta. I definitely want to stick w getting a call.

Julia,

Text or email is better for my heads-up.

Robert's cell is 202.779.0084.

Is someone populating the releases/statements into the newsroom over the weekend, or are we waiting until we are back Monday? We can't do that part remotely.
